

1 state-wide congressional election in 1972, and every tenth  
2 year thereafter, we will have a logical mandate to the  
3 legislature to redistrict immediately after the 1970  
4 census, and if the Federal Government holds consistent,  
5 we will have a census in '70, we will have one in '80, so that  
6 would make it very consistent. We will have a good section  
7 without having the freezing language left in that would  
8 hamper and hamstring and make inflexible the law for  
9 the activity of the legislature in this field.

10 I urge adoption of the amendment, Mr. President,  
11 and hope that we can leave the legislature with something  
12 with which they can work.

13 THE CHAIRMAN: Are there any questions of the  
14 sponsor of the amendment? The Chair hears none.

15 Delegate Gallagher.

16 DELEGATE GALLAGHER: So the record will be  
17 complete, will the reading clerk please read amendment No.  
18 1, which was the amendment A?
